LONGFELLOW UP TO DATE.

Tell me not ye mournful grumblers,
Life is but an empty dream;
For 'tis not so with the tumbler
In a college football team.
Life to them is real, earnest,
And before they reach the goal
They have got to pay the earnest
Lot of energy for toll.
Not enjoyment and not sorrow
Is their destined end or way;
But to grind the bones and marrow
Of the fellows in the play.

Game is war! the football meeting
Calls them on to conflict brave,
And they go forth, oft retreating
To the armless, legless grave.

In the college campus battle,
In the game that threatens life,
Long-haired bipeds plunge like cattle,
They are wild men in the strife.

Lives of football fiends remind us
We can make our lives sublime;
By the privilege assigned us—
Kill a man and do no crime.

We may do unto another
Damage with our cultured main;
Make of him a shipwrecked brother,
Nursing his disabling pain.

Let us then be up and doing,
With a swift shin-splitting gait,
Still a bag of wind pursuing,
Learn to kick the blamed thing straight.

CLOSING EXERCISES.

Those at Hayswood Last Night Closed a Most Successful Year.

The musicale at Hayswood last evening closed a most successful year's work in that well established and flourishing institution.

Dr. John Barbour, in the name of Miss Moore and the Principal, presented musicale certificates to the following young ladies: Misses Louise Makibben, Frances Barbour, Elizabeth Barbour, Dudley Lindsay, Pluvia Gill and Elizabeth G. Barbour.

He also mentioned the fact that there were four who by general excellence in deportment and by attendance every day in the school year had placed themselves on the "Roll of Honor." They were Misses Louise Makibben of Newport, Mamie Pecor, Alene Glascock and Lottie Smith.

It will be of interest to many to know that in addition to this there were four young ladies who attained such a high degree of scholarship as to exempt them from any written examinations at the close of the year. They were Misses Alene Glascock, Alene Mitchell, Bertie Ball, Frances Barbour.

Hayswood also takes pleasure in announcing to the public that in order to meet a demand of its patrons next year a most excellent opportunity will be offered for the study of French and Violin under the supervision of Prof. Robert J. Bullett, who comes with the highest recommendations as a teacher of both of these branches. Prof. Bullett is not unknown to the musicians of our city, and Hayswood has shown herself at the head of educational matters in securing his services.

THE YOUNG MEN.

What the Maysville Y. M. C. A. is Doing For Their Betterment.

The Third Anniversary of the Young Men's Christian Association will be observed at the First Presbyterian Church Sunday evening, June 18th, at 7:30 o'clock. Colonel J. A. The service will be a union service, giving people of all Churches an opportunity to attend.

What about those baths at the Y. M. C. A.? Have you tried them? If not, why not? A membership only costs \$5 a year, and for members our baths are reserved. Next to a plunge there is nothing equal to a shower. Every man should, especially during the hot weather, bathe at least three times a week, to keep clean and well. Soaking baths of from twenty to forty minutes should be avoided. A quick ten minutes bath in shower, following a good rub down, will make you grow, will keep you well. Any man has plenty of time for this. A half hour three times a week is all that is necessary.

TWO INDICTMENTS.

One For Petit Larceny and One For Robbery Against J. J. Morrison.

James J. Morrison, with enough aliases to make a Postoffice man shudder, is the name of the fellow who was arrested during the "World's Fair" in this city for trying to carry off the drygoods store of Mr. T. Y. Nesbitt. After his being safely landed behind the bars it was also learned that he had robbed Mr. R. E. Pogue of the county.

Yesterday the Grand Jury returned two indictments against him, one for petit larceny and one for robbery.

If they fail to get him on one they surely can get him on the other.

"TRUE AMERICANISM."

Lecture by Georgia's Brilliant Orator, Dr. Edward Thompson, Friday Evening.

Perhaps no city is more in need of education on the proper observance of the Lord's Day than Maysville.

In Dr. Thompson we have a thoroughly trained man, a ripe scholar, a superior educator and a brilliant orator.

He will address a union service of Maysville people in the South Methodist Church on next Friday evening.

The lecturer is by no means a man of mediocrity but is among the foremost speakers on the American platform. Maysville may congratulate herself on such a rare opportunity.

Opinions of Dr. Thompson.
Bishop John H. Vincent—"A man of ability as a thinker and speaker."

Wilbur F. Crafts, Superintendent of Reform Bureau—"I know him to be both energetic and eloquent and commend him as a reinforcement to be welcomed wherever he comes."

H. G. McNeese, First Presbyterian Church, Salt Lake City—"He knows how to use historic facts effectively. He is concise. He knows how to make a point definite and clear and drop it. He is by nature and training an orator. He speaks with so much ease and power that it does one good to hear him."

Every one assured a cordial welcome.

A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough Remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction. We feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks—Respectfully, Mrs. S. Doty, De Moines, Iowa. For sale by J. Jas. Wood & Son, Druggists.
